

Opening Remarks by
Assoc. Prof. Dr. Thawatchai Onjun
Executive Director of Thailand Institute of Nuclear Technology

4th Virtual Annual Meeting on ASEAN Network on Nuclear
Power Safety Research
On 2nd to 4th June 2021, Singapore

Distinguished Participants from ASEAN Member States,
Ladies and Gentlemen,

Thailand, on behalf of the co-lead country on ASEAN Network on Nuclear Power Safety Research (ASEAN NPSR), has the pleasure to welcome all of you to “the 4th Virtual Annual Meeting on ASEAN Network on Nuclear Power Safety Research” at the online platform today.

First things first, I would like to thank Singapore Team for mainly organizing the 4th Annual Meeting on ASEAN Network on Nuclear Power Safety Research (or ASEAN NPSR) this year. According to the Joint Communique, ASEAN NPSR was approved by the ASEAN Committee of Science and Technology (ASEAN-COST) in October 2017. The aim of the network is to facilitate information and knowledge sharing throughout the ASEAN region and enable research cooperation among ASEAN countries in the field of nuclear power safety.

In 2021, in order to continue the momentum of the network during the hard situation of COVID-19 and to make a chance for enlarging nuclear power safety research of the network, the 4th Virtual Annual Meeting on ASEAN Network on Nuclear Power Safety Research is an important opportunity for all Member States to conclude the last Benchmark problem of ASEAN NPSR and to update on country progress in nuclear power safety research as well as to determine future research area.

Finally, I would like to thank all of you for participating and contributing to the 4th Annual Meeting on ASEAN Network on Nuclear Power Safety Research (or ASEAN NPSR). I wish the meeting every success and fruitful outcome.

Thank you.
